

EFSA and ECHA launch a joint vacancy for Toxicologist!

Hi,

The **European Food Safety Authority (EFSA)** and The **European Chemicals Agency (ECHA)** are launching a joint call for expressions of interest for scientific officers with proven experience in **toxicology**.

The aim of the call is to establish a common talent pool/reserve list that may be used for the recruitment of staff when a position becomes available in either recruiting agency.

Please note that the jobholder may be employed by either **EFSA (Parma, Italy)** or **ECHA (Helsinki, Finland)** depending on business needs, the candidate profile and preference.

The successful candidates will contribute to the work of EFSA or ECHA primarily in the area of **scientific risk assessment**.

For further information please see the link below
